

Donation Needs

(last updated Spring 2024)

When a family joins Solid Ground, they often come from difficult situations that force them to leave behind many of their personal belongings. To help our families get a fresh start and settle into their new homes, we rely heavily on new or gently used donations from the community. If you are interested and available to donate, please consider donating these items:

- Bed sheet sets (queen, twin or crib size)
- Blankets & comforters (queen or twin size)
