

## Who We Are

Solid Ground is an award-winning Minnesota nonprofit whose proven, holistic approach helps families build the strong foundations they need to emerge from homelessness into a brighter future through safe, affordable housing and innovative supportive programming.

## What We Believe

We believe that affordable and obtainable housing is essential to the health of children, families and communities.

We acknowledge systemic racism, classism, and other forms of discrimination as primary causes of the affordable housing crisis and homelessness. We advocate as a housing and service provider to stabilize families and communities, elevate community voices, and eliminate systemic inequalities.

### Our Mission

To prevent and end homelessness for families with children in the communities we serve through housing, resources and opportunity.

### Our Vision

Every family has a safe and affordable place to call home, where parents and children thrive in school, at work and in their community and can achieve their goals and dreams.

### Our Values

- Person-Centered
- Equity, Inclusion & Access
- Integrity
- Community

# Solid Ground

Solid Ground helps families break the cycle of homelessness and poverty for the next generation

## Our Programs

We are committed to the 'Housing First' philosophy and we move people out of homelessness and into housing first. Then we provide person-centered, holistic support and services essential for long-term stability.

### Housing

Housing is at the heart of our programs: a safe, stable place where families can live while they work to build the strong foundation they need to move forward with their lives.

### Support For Parents

We provide parents with services that support long-term goals of increased stability, improved health, and long-term success.

### Support For Children/Youth

Housing stability impacts children's health, learning and development. We provide a variety of programs and support for children to help them grow socially, emotionally and academically.

## Our Impact

 <b>Achieve Housing Stability</b>	 <b>Increase Economic Stability</b>
 <b>Support Educational Advancement</b>	 <b>Improve Health &amp; Living Skills</b>

“

**Solid Ground helped out a lot. They brought me dishware, blankets, offered assistance with rent, electrical. My children are doing way better. Even the teachers see the improvement. My hope for my kid's future is to see what their dad went through to get them on the right path and be better. You can go through anything as long as you have faith and determination.”**
